

LIST OF FIGURES

FIGURE	DESCRIPTION	PAGE NO.
1.3	Service models	5
4	Architecture Diagram	17
4.1	Sequence Diagram	18
6.9	Statistics	27
6.10	Graph plotted between BRS and PSO optimized BRS	28
6.8	Graph plot	17
10.1	Console input at client system	39
10.2	Console read of inputs from multi-clients in server	39
10.3	Input view of resource requests and dropdown menu for choosing algorithm to schedule	40
10.4	Scheduling of resource requests based on choosed algorithm in console	41
10.5	Animation view of algorithm implementation on requests	41
10.6	Statistics after the implementation of algorithm	42
